---

## Objective :

I consider myself a web designer & capable of implementing a web site from start to Finish, using my own initiative, experience and resources and delivering better results.

I am able to jump easily from being a designer, to a coder, to software and hardware technician. This adaptability can also be seen in my work where I'm able to handle any task I'm given, be it web, design, multimedia, print, computer troubleshooting.

## Summary :

**Web site design.  |  Design & Print works.  |  cPanel Administration.  |  PC troubleshooting**

## Experience :

**--> Freelancer Web / Graphic Designer** - *Guntur, AP, INDIA ( Feb - 2011 to Present)*

- Designed and developed html websites for local business clients and also worked as brand identity designer.

**--> Graphic Designer** - *Sankar Digital Signs Guntur, AP, INDIA ( April - 2008 to Feb - 2011)*

- Created graphic design for logo identity, major industry magazine advertisements, in-store signage, large format signs, banners, brochures, price guides,   yers, clothing graphics, and skateboard deck graphics. Worked with photographer on product photo shoots.

## Technical Skills :

I am a skilled graphic designer, user interface designer, and web designer. I work hard to create clean websites , brand design and print works with excellent experiences. Excellent communication, presentation, client liaison and project management abilities
